(FROM FINAL CHECK MEASURE)

Revolutionise Your Outdoor Comfort Today!

The Multi-Stop Side Channel Blind is your ultimate solution for outdoor shading, offering a perfect blend of functionality and style. With its user-friendly twist-lock bottom rail, you can effortlessly adjust sunlight and privacy to your liking.

Specially designed end caps ensure a stable and reliable locking mechanism, guaranteeing peace of mind. Its sleek, cordless design adds a touch of elegance to your space while providing a clean, clutter-free appearance.

Enjoy simple and quiet operation with the spring-assisted roll and twist-lock rail, making it easy for anyone to use. The non-intrusive, durable aluminium channels are available in various colours to seamlessly match your outdoor decor.

What's more, this cost-effective shading solution not only protects you from the sun but also offers enhanced privacy.

Whether you have a verandah or other post-to-post openings, this blind is the ideal choice. Elevate your outdoor experience with the Multi-Stop Side Channel Blind, where convenience meets style
